***Inc. Magazine Reveals Its 26th Annual List of America's
500 Fastest-Growing Private Companies***

**GetWireless Ranks No. 248 on the 2007 Inc. 500
With Three-Year Sales Growth of 944.3%**

MINNEAPOLIS, August 23, 2007 – *Inc.* magazine today ranked Minnetonka, Minn. based GetWireless No. 248 on its 26th annual Inc. 500 list of the fastest-growing private companies in the U.S.

“If you want to find out which companies are going to change the world, look at the Inc. 500,” said *Inc.* Editor Jane Berentson. “These are the most innovative, dynamic, fast-growth companies in the nation, the ones coming up with solutions to some of our most intractable ills, creating systems that let us conduct business faster and easier, and manufacturing products we soon discover we can’t live without. The Inc. 500 list is *Inc.* magazine’s tribute to American business ingenuity and ambition.”

The 2007 Inc. 500, as revealed in the September issue of *Inc.* magazine (on newsstands August 28 – October 2), reported aggregate revenue of \$16 billion and median three-year growth of 939 percent. Most important, the 2007 Inc. 500 companies were engines of job growth, having created more than 64,064 jobs since those companies were founded.

“We are honored to be recognized as one of the fastest-growing companies in the country,” said Brian Taney, GetWireless chief executive officer. “We attribute our success to our hard-working team, dedicated customers, and supportive vendors.”

Complete information on this year’s Inc. 500, including company profiles and a list of the fastest-growing companies can be found at www.inc.com/inc5000.

Methodology

The 2007 Inc. 500 list measures revenue growth from 2003 through 2006. To qualify, companies had to be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2006, and have had at least \$200,000 in revenue in 2003, and \$2 million in 2006.

About GetWireless, LLC

GetWireless, LLC is a national distributor of cellular-based solutions serving industries in which communications are critical and landlines are not readily available. GetWireless provides service and support for a multitude of voice, fax, data, and telemetry applications that operate on the world’s existing cellular networks. The company currently services 2,000 customers in the public safety, television and broadcast, healthcare, and government industries. For more information go to <http://www.getwirelessllc.com/>.
