**America's 5000 Fastest-Growing Private Companies Revealed**

**GetWireless Ranks No. 950 on the 2008 Inc. 5,000  
With Three-Year Sales Growth of 385%**

**MINNEAPOLIS, August 20, 2008** – Inc. today ranked GetWireless No. 950 on its annual ranking of the 5000 fastest-growing private companies in the country. The list is the most comprehensive look at the most important segment of the economy – America's independent-minded entrepreneurs. Taken as a whole, these companies represent the backbone of the U.S. economy.

"Our second annual Inc. 5000 continues the most ambitious project in business journalism," said Inc. 5000 Project Manager Jim Melloan. "The Inc. 5000 gives an unrivalled portrait of young, underreported companies across all industries doing fascinating things with cutting-edge business models, as well as older companies that are still showing impressive growth."

GetWireless is a leading value-added distributor of cellular based solutions utilizing equipment from Sierra Wireless AirLink Communications and Telular Corporation. These solutions are designed to offer standard landline functionality by leveraging the existing cellular networks.

By distributing solutions that operate on cellular networks throughout the world, GetWireless is able to accommodate a multitude of voice, fax, data and telemetry applications.

"Our recognition on the Inc. 5000 list is a direct result of hard work, product knowledge, and the high-level of service that we provide to all of our customers. We are honored to be included on the list and I want to thank each member of GetWireless for their role in making this possible", said GetWireless co-founder Bryan Rasmussen.

The 5000 companies that made the list reported aggregate revenue of \$185 billion and median three-year growth of 147 percent. Most important, the 2008 Inc. 5000 companies were engines of job growth, having created more than 826,033 jobs since those companies were founded. Complete results of the Inc. 5000, including company profiles and a list of the fastest-growing companies that can be sorted by industry and region can be found at [www.inc5000.com](http://www.inc5000.com).

**Methodology**

The 2008 Inc. 5000 list measures revenue growth from 2004 through 2007. To qualify, companies must be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2007, and have had at least \$200,000 in revenue in 2004, and \$2 million in 2007.
