AirgainConnect® Extends First Responders Connectivity in Wildland and Urban Areas

AirgainConnect more than **doubles the range** of existing solutions, enabling powerful communications capabilities to help improve fire operations.

AIRGAINCONNECT® AC-HPUE™

6-in-1:
LTE x3, Wi-Fi x2, GPS x1
Category 12 LTE modem

HIGH IMPACT (Up to)

1000% ↑ uplink signal strength

10x ↑ power increase
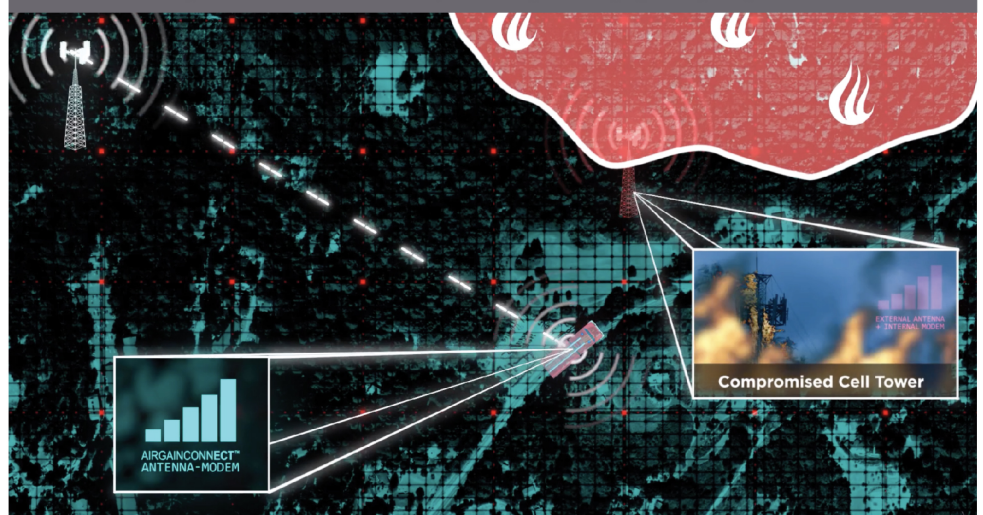

4x ↑ coverage area

2x ↑ range

Extend Coverage to:

- Feed unmatched situational awareness to incident commanders

- Gain more reliable and consistent access to broadband

- Provide the highest degree of readiness by covering potential gaps or drop offs by extending current coverage area

URBAN AREA CRITICAL USE CASE

AIRGAINCONNECT™ ANTENNA-MODEM

EXTERNAL ANTENNA + INTERNAL MODEM

Compromised Cell Tower
