

# Airgain® AC Go-Kit Pro

All-in-One Portable 5G Connectivity—Powerful and Rugged

The Airgain AC Go-Kit Pro is a high-performance, portable connectivity solution for mission-critical operations (including public safety and first responders), remote workforces, overlanders, over-the-road trucking and logistics, and mobile businesses.

With an integrated 5G cellular modem, Wi-Fi 6 router, multi-carrier eSIM support, and long battery life, the AC Go-Kit Pro delivers high-speed broadband anywhere there is 4G or 5G cell service. Its TSA-compliant lithium-ion battery enables carry-on convenience when flying, and its weatherproof case ensures rugged durability. The all-in-one modem + router solution from Airgain is lighter, more portable, packs numerous features, and is easier to deploy than bulkier alternatives.
